PROFESSIONAL & WORK EXPERIENCE

Embedded Peer Tutor

August 2026 – Present

University of Arkansas

- Worked with the First-Year Engineering Department to deliver in-class and supplemental tutoring for first-year engineering students enrolled in College Algebra.
- Held weekly office hours to provide students with an accessible, drop-in resource for course support.
- Delivered one-on-one tutoring sessions tailored to students requiring additional academic assistance.
- Attended weekly meetings with engineering faculty to align on instructional methods, track student performance, and plan upcoming coursework.

CORD Tutor

March 2026 – Present

University of Arkansas, CORD

- Tutored students in Arabic, College Algebra, Precalculus, Calculus I, II, & III, and Chemistry I, simplifying complex concepts into clear, step-by-step explanations.
- Assisted students with homework, exam prep, and practice problems.
- Supported students in building problem-solving skills and developing more effective study habits.

Arabic and Religion Teacher

Sept 2025 – Present

Islamic Center of Northwest Arkansas

- Taught Arabic language grammar and Quran recitation classes every Sunday during school hours.

First Generation Peer Mentor

August 2026 – Sep 2026

University of Arkansas

- Mentored first-generation students, guiding an immersive orientation to University of Arkansas facilities, campus resources, and support services.
- Participated in community engagement events to strengthen connections among first-generation students.
- Planned agendas for mentor-mentee sessions to ensure students received comprehensive, relevant guidance.

Business Development Specialist

July 2025 – Sep 2026

Strata Spaces JO

- Conducting tailored research for projects pitched by the team and curating proposals.
- Maintaining and reforming language and brand identity through proposals and client interactions.

Cashier / Lobby Float

Sept 2025 – Feb 2026

Chartwells - University of Arkansas

- Handled front desk duties, including meal swipe processing and customer payments.
- Ensured lobby cleanliness and managed closing duties including restocking and food renewal.

Member, Operations Management Team

Nov 2024 – July 2025

Strata Spaces JO

- Managed participant attendance, event planning, and social media engagement.
- Collaborated with logistics and business development to ensure field work delivery.
- Played an essential role in organizing and executing a company conference.

- Maintained professional client communication and follow-ups to enhance customer experience.

Intern, Computer Science and Engineering

June 2024 – July 2024

IrisGuard JO

- Completed courses in Python, Databases, Statistics, and Data Science.
- Performed field visits for product quality assurance, replacement, and technical checkups.
- Shadowed internal operations spanning engineering and client relations.

Operations Intern

June 2023 – Aug 2023

7isas JO

- Collaborated with the operations manager to create course roadmaps for new users.
- Oversaw quality assurance for instructor uploads and handled administrative data entry.

Intern, Fund-of-Fund's Program

Jan 2023

Beyond Capital

- Analyzed due diligence questionnaires for startups and venture capitals.
- Prepared investment briefs based on pitch decks and executive summaries.
